a) Heaviest squash in Canada 2007 ( 2006 World Record Holder @ 1131 lbs.)

Pumpkin Terms: Sibbed – Meaning the grower grew two of the same seed and used the pollen from one to pollinate the other.

Selfed - Meaning the grower used the pollen from the same plant.

UOW - Unofficial Weight (Specimens that developed a split or small hole, however, still weighed. Seeds just as capable as any others.
